

RADIO VATICANA

Città del Vaticano, 20 dicembre 2013

DIREZIONE GENERALE

**SHUT DOWN OF SATELLITE TRANSMISSIONS OF TELEPACE
TO NORTH AMERICA ON GALAXY 19**

Dear Friends, dear Broadcaster,

We inform you that as from Monday the 30th of December 2013 Telepace TV will close down its satellite channel to North America on Galaxy 19 - 97 degrees west.

As a consequence of this the programs of Vatican Radio hosted by the above indicated satellite channel of Telepace will no longer be available.

The schedule of the Vatican Radio programming presently broadcast on the satellite channel of Telepace on Galaxy 19 - 97 degrees west, can be viewed at the following link:
